(i) Having joined service on 31.8.19 his total service appears to amo over 22 years, but according to History of Services nearly 8 yrs seem to be of a non-substantive nature how much of this latter period coun for consideration.

(ii) His last substantive post was that of Asst. Supdt. Govt. Gardens an he has been shown as drawing Rs 310 (in grade 150-20-350) in the appointment from 1.11.1933, i.e he has not been allowed subsequent increments as Asst. Supdt. perma

(iii) He was Supdt; Govt. Gardens, S.P.T from 25.2.35, drawing Rs 400 for the first one year an Rs 430 from 25-2-3. These emoluments may not count

75) I beg to invite reference to my Submission Note dated 17th January 1937 and His Highness's Orders thereon, approving of the proposal to retire Mr. M.K. Sitharama Chetty, Superintendent, Government Gardens, compulsorily, from service on the expiry of the two months' privilege leave granted to him i.e., with effect from 28th January 1937.

76) Mr. Sitharama Chetty has since submitted a representation regarding the hardship he is put to by his premature retirement and prayed for the grant of the following concessions to him:-

(1) To allow 8 years of his initial temporary service to count towards his pension:

(2) To give him, in continuation of the two months' leave already granted, further leave to a total extent of 13 months (one month privilege leave plus 3 months furlough on average salary, plus 9 months' furlough on half average salary) that had been earned by him.

(3) To condone a deficiency of 1½ years that would still be required to make up a total qualifying service of 25 years so that he may be able to get full pension.

77) After an examination of the nature of the initial temporary service put in by him, the Finance Department have stated that there is no objection to allow it to count for pension. This will accordingly be permitted. As regards leave, the total amount of leave that can be given under the rules to an officer at any one time should not exceed 9 months. It is accordingly proposed to grant Mr. Seetharama Chetty, in continuation of the two months' leave from 28th November 1936 already granted to him, further leave to the extent of 7 months (one month's privilege leave, 3 months' furlough on average salary and 3 months furlough on half average salary), his retirement taking effect after the expiry of the whole period of leave, i.e. from 28th August 1937.

Page 9 of the notes.

W

78) With the grant of the above concessions, the total service of Mr. Seetharama Chetty will fall short of 23 years by about 3 days, and it is proposed to condone this small deficit also so that he may get pension calculated on the basis of a total

qualifying service of 23 years. In view, however, of the circumstances in which he was compulsorily retired, some reduction in the pension otherwise admissible appears to be called for. I beg to recommend that he may be allowed 7/8ths of the pension that would be admissible under the ordinary rules for a service of 23 years.

79) The above proposals which have been agreed to by myself and the Members of Council may be graciously approved.

(1) Out of 22½ years continuous service in the Gardens Department, the first eight years of my service were temporary as Horticultural Instructor, Farm Manager, and Probationer in the Gardens Depart ment. I humbly beseech sanction for treating this period towards pension.

(2) I have not availed myself of any leave through out my service. I, therefore, request you to sanction the leave that I am entitled for i.e. 1 month privilege leave,3 months furlough on - average salary, and 9 months furlough on ½ average salary. To discharge Government loan taken as motor advance of Rs.1,000, and other private debts, the granting of leave will go a long way to liquidate my abovementioned debts.

(3) My service including the leave that I am entitled totals 23½years. To get full pension I am short of 1½ years to complete the necessary 25 years of service. I humbly request that this short period may be condoned to enable me to draw the full pension of about ₨ 180.

(4) If full pension is not granted, I am only entitled to get proportionate pension which works out at about ₨ 140. This will mean great hardship to me, having to maintain a very large family with 4 sons and 1 daughter who are still studying.

p.t.o.

Other fo. 1

In view of the fact that I go on retirement prematurely, having still ten years of service, as Head of the Gardens Department, I am hit very hard financially. Under these circumstances I humbly appeal to your generosity to grant my prayer for full pension.

I beg to remain

Yours most obediently

SIR,

E With reference to your letter No.1891/C.B. 86-36-10 dated 3rd February 1937 asking me to furnish certain particulars regarding the period of qualifying service put in by Mr. M.K. Seetharama Chetty and the amount of pension admissible to him, I have the honour to state that it is seen from the service register of Mr.Seetharama Chetty that he was holding the appointment of Manager, Sunakal Tank Farm temporarily from 1st August 1916 to 14th May 1919 and was a probationer from 15th May 1919 to 10th April 1922 on which date he was appointed as Assistant in the Gardens Department. As the appointment of Manager, Sunakal Tank Farm has since been made permanent, he can count service from 1st August 1916 if he was the sole holder of this post and if none else had a lien on it & his lien was ~~counted~~ continued during the period of probation. This information has been called for from the Superintendent, Government Gardens and on receipt of information, a final reply will be sent.

CHIEF SECRETARY * 22. FEB. 1937 * GOVT. OF MYSORE.

B. T. Kesavaiengar, Esq., B.A.,
Chief Secretary to the Government of Mysore,

SIR,

In continuation of this office letter No.607/Pen. dated 8th February 1937, regarding the amount of pension admissible to Mr. M.K. Seetharama Chetty, Retired Superintendent, Government Gardens, I have the honour to state that this office has put in a gross service of 22 years, 4 months and 27 days of which a service of 1 year and 11 months being his temporary service as Horticultural ~~Inspector~~ Instructor from 31st August 1914 to 31st July 1916 does not count for pension, as the appointment is being still continued as temporary. He was appointed as Manager, Sunkal Tank Experimental Farm from 1st August 1916 which appointment was then temporary and was subsequently appointed as probationer on 15th May 1919 and confirmed as Assistant in the Gardens Department from 11th April 1922.

As the appointment of Manager, Sunkal Tank Farm was made permanent in G.O.No.I.C.4649-50/G.M.129-25-2 dated 14th January 1925 his service in that appointment qualifies. As he evidently continued his lien on the above appointment when he was a probationer and till he was confirmed his service from 1st August 1916 is treated as qualifying and he will have put in a service of 20 years, 5 months and 27 days from 1st August 1916 to 27th January 1937 and he will be entitled to a pension of Rs. 124-8-0 under the ordinary rules. It is not clear from the order received, whether the intention is to sanction a reduced pension by ~~trying~~ bringing the case under Article 223 in which case it will only be Rs.83/-, viz., 2/3 of Rs.124-8-0. A copy of letter No.1725 dated 11th February 1937 received from the

Sir,

I beg to state that my leave expires on 27th August 1937 and from that date onwards I have to draw my pension. Once again I humbly request that, taking into consideration all the financial difficulties involved by the loss of my appointment, the Government may generously sanction atleast the pension that I am entitled to under ordinary rules. A cut of one-eighth of my proportionate pension i.e.Rs. 19/- has been made and I request that this may be kindly condoned. Further Government may be pleased to condone under Articles 260 and 272 of M.S.R., 2 years required for 25 years qualifying service to obtain full pension. Condonation in this regard is easy in my case as I have at my credit 2 years and 3 months leave out of which only 6 months have been granted to me during my whole service. In this connection I may state that Government have condoned shortage of service in numerous instances for granting full pension. For want of 2 years service I now stand to lose about 25 per cent of my pension.

I am stressing all these points as my distress is great as I have still to continue to pay for ten years more to come my insurance premium of Rs. 35/- per month besides providing for the ordinary needs of my large family which includes the educational expenses of 4 sons and one daughter. Finally I may state that my pension is my only source of income and pray that Government may be pleased to consider my humble plea favourably.

I am

Yours obediently

Dear Mr. Seetharam Chetty,

With reference to your letter dated the 15th July 1937 in the matter of enhancement of your pension, I am desired to state that Govt. consider that you have already been treated liberally in this respect and that there is absolutely no justification for showing any more concessions to you. I am to add that any further representations from you will be viewed with disfavour and that Government may even be constrained to consider why your pension should not be reduced in the light of other irregularities subsequently noticed.
